## Office Memorandum • UNITED STATES GOVERNMENT

TO : Director of Training

DATE: 25 June 1953

FROM : Chief, Intelligence Training Division

SUBJECT: Weekly Intelligence Report

Submitted herewith is the report for the week ending 25 June:

1. The Staff of the Intelligence School has completed the grading of examinations of trainees in BIC(I) #9 and is working on the evaluation reports.

2. There are currently five persons in the Provisional Training Branch. They are assigned to the following Offices: TSS, 2; OCD, 2; OTR, 1. The space used by this branch in the R&S Building is being reduced by TSS and A&E Staff. If this continues some alternative arrangements will have to be made for the activity. It will be desirable to locate it adjacent to the training quarters for uncleared clerical personnel in order that an administrative office can be shared.

3. The Reading Improvement Branch currently has 91 students enrolled in training courses.

4. I am expecting to be away on leave from 2 July to 12 July.
